12:00 Noon May 22, 2008

Location: The Shiloh Inn

You are cordially invited to attend the 2008 Killeen Silver Eagle Luncheon. The Silver Eagle Award given by the Longhorn Council, Boy Scouts of America is awarded to a leading citizen within the community for achievements and leadership, professionally or as a community volunteer, that have left an enduring impact on the community. This individual is recognized for modeling the principles and values expressed in the Scout Oath and Law. Our leadership and financial support have enabled the local scouting program to continue its growth, expand its camping program, serve at-risk youth, and provide a moral compass to our future generation. Your attendance will establish the pace for 2008. Your moral support by attending makes a significant difference. We welcome you as our guest to this meal. There is no cost. We ask only that you attend, learn and consider financially supporting our boys through the programs of the Longhorn Council, Boy Scouts of America. This dynamic program will last approximately one hour. Please RSVP by May 16th to: bsaleonvalley@aol.com or by phone: 254-772-8932. Fax (254)772-8933.
