

**Thinking about starting or expanding a business?
This program will help you create or revise your business plan**

The Central Texas Business Resource Center is now accepting applications for the FastTrac® NewVenture™ business program.

TAKE CHARGE OF YOUR BUSINESS™
A program of the Kauffman Foundation of Kansas City

FastTrac® NewVenture™ provides practical business training, helping you to hone the skills needed to create, manage and grow a small business. Throughout the program you will be given guidance while writing your own feasibility study for your business idea. You will walk away from this class with all of your business questions answered.

NEXT CLASS DATE FOR KILLEEN TX

June 7 - July 15, 2010

Meets every Monday & Thursday evening, 6:30 PM – 9:00 PM

Conducted at the Greater Killeen Chamber of Commerce, One Santa Fe Plaza

FastTrac® NewVenture™ business program is designed to help you evaluate and perfect your business concept. By the time you finish the sessions, you'll know whether your idea is feasible and if starting a business is right for you.

In FastTrac® NewVenture™, you'll develop:

- Knowledge of the business planning process.
- A feasibility plan that follows an assessment template designed to refine your ideas and assess your venture's viability.
- Research skills you can apply to the workplace or any future business venture.
- An understanding of the most common business entry strategies, including their pluses and minuses.

COST IS ONLY \$249 per person

(Includes workbook, activity binder, business plan templates, and much more)

Can't attend? Buy the book for only \$95
